

Thomas J. Mahoney Jr.

Shareholder

Birmingham | 205.250.8346 | tmahoney@bakerdonelson.com

Tom Mahoney serves clients in tax and business planning, transaction planning, tax controversies and general business issues.

Mr. Mahoney serves a range of clients from publicly held corporations and real estate investment trusts (REITs) to start-up companies and closely-held businesses. He counsels clients on the complexities of many areas of federal, state and local taxation, including acquisitions and divestitures, partnership allocations and distributions, S corporation qualification and operations, incentive compensation arrangements, like-kind exchanges, REIT qualification and operations, tax exempt organization qualification and reporting issues, tax abatements and incentives, international transactions, and state and local income, franchise and sales taxes.

Mr. Mahoney also provides day-to-day business planning advice to clients in areas such as licensing of intellectual property, contract drafting and review, corporate governance, buy-sell arrangements, joint ventures, partnership and limited liability company agreements and employee issues. His clients are in many industries including high-tech and software engineering, REITs, real estate development, service industries, equipment leasing, manufacturing, retail and professional practices.

Representative Matters

- Has represented numerous clients, including publicly held clients, with respect to state and local tax audits, appeals, settlements and proceedings before the Alabama Tax Tribunal.
- Wrote tax disclosures and opinions for securities filings for a publicly held REIT.
- Structured a multi-million dollar sale-leaseback transactions for a REIT.
- Obtained a favorable private letter ruling for client on S corporation qualification issues.
- Structured multiple deferred and reverse like-kind exchanges.
- Structured tax-efficient incentive compensation arrangements for partnerships and corporations.
- Obtained a substantial sales tax refund for contractor relating to purchases for out-of-state use.
- Worked with team of corporate attorneys to structure a tax-free business reorganization plan for a publicly held, multi-state client.
- Represented a major nonprofit charitable organization, advising it on corporate governance, tax reporting and compliance issues.
- Negotiated and drafted multiple software licensing and related agreements.
- Obtained favorable state rulings on sales, lease and use tax implications of complex leasing transactions.
- Represented a tech company in its \$70 million acquisition by one of the largest independent BPO and ITO providers in the world.
- Successfully represented a pharmaceutical company in the \$10 million purchase of generic drug applications.
