

Tyler Saenz

Associate

Nashville | 615.726.5669 | tsaenz@bakerdonelson.com

Tyler Saenz concentrates his practice in the areas of mergers and acquisitions, general corporate matters, securities, and corporate governance.

Tyler helps public and private clients develop, protect, and grow their businesses. He is experienced in drafting, reviewing, and negotiating purchase, lease, nondisclosure, supply, service and consulting agreements, among other critical corporate contracts. He also assists in security regulation, financing, due diligence, and corporate governance/compliance matters.

Prior to his legal career, Tyler interned with Congressman Joaquin Castro through the Congressional Hispanic Caucus Institute (CHCI) as well as with a Fortune 500 insurance company. He is also passionate about issues of diversity, equity, and inclusion.

Representative Matters

- Represented a U.S.-based public company, a leading provider of minerals globally, in its North American sale of micronutrient assets including intellectual property rights, trademarks and patents, to a private multinational corporation subsidiary in order to focus on core operations.
- Represented an engineering firm as seller's counsel in the sale of its environmental services business unit to a global project management company.
- Represented a digital health engagement company in a multimillion dollar asset sale to one of the nation's largest health care systems.
- Represented a European retail company, valued at over \$25 billion, in the \$100 million acquisition of an American skincare and cosmetics company.
- Represented a global developer and manufacturer of pet products in its \$80 million acquisition of a regional distributor.
- Represented a home remodeling company in the sale of its business for \$25 million to a national portfolio company.
- Represented a clean energy technology company, developing an advanced, modular nuclear reactor in Canada, in its Series A Preferred Stock offer for \$8 million and in continuing corporate governance.
- Represented a global commodity merchant, focused in biofuels, in connection with the negotiation of its \$115 million syndicated credit facility.
