

## Michael M. Smith

Shareholder

Atlanta | 404.589.3419 | [mmsmith@bakerdonelson.com](mailto:mmsmith@bakerdonelson.com)

Michael Smith enables entrepreneurs and companies of all sizes to create revenue while minimizing tax consequences.

---

Michael Smith, shareholder in the Firm's Tax and Commercial Transactions & Business Counseling Groups, enables entrepreneurs and companies of all sizes to create revenue while minimizing tax consequences.

Mr. Smith has experience in securities law, mergers and acquisitions, business transactions, like-kind exchanges, estate planning and asset protection, providing a "full service" approach to domestic and foreign businesses and individuals for more than 20 years.

### Representative Matters

- Advised numerous international companies on structuring businesses in the U.S. for optimum tax advantage, involving both tax treaty and nontax treaty foreign countries.
- Advised numerous companies on taxation of internationally mobile executives.
- Obtained \$1.7 million tax savings for client by researching and challenging trust tax issues.
- Issued tax opinion on transaction under the U.S./Australia tax treaty that resulted in client selling \$900 million in life insurance contracts to Australian pension plans.
- Structured technology licensing transaction under U.S./South Africa tax treaty avoiding U.S. tax on \$5 million licensing receipt for South African technology company and acted as outside general counsel for related U.S. subsidiary.
- Advised telecommunication consortium on structuring transoceanic submarine cable system involving three continents.
- Set up numerous corporations, partnerships and limited liability companies; prepared business plans; private placements of securities; advised boards of directors and assisted with IPOs, and 34 Securities Exchange Act compliance; prepared and issued several tax opinions; and managed several simultaneous legal projects with associates and partners in the law firm.
- Advised numerous clients on tax-free exchange deals saving millions in taxes.
- Negotiated numerous contracts including technology licenses, distribution and marketing agreements, and master service agreements.
- Negotiated and successfully closed numerous merger, sale and acquisition transactions for public and private companies, including telecom companies, jet engine parts manufacturer, computer systems business, and cable business.
- Successfully prepared/secured revolving credit lines, SBA loans and other credit facilities ranging up to \$150 million.
- Structured and negotiated numerous real estate acquisitions for investors and developers, including M&A transactions involving multiple facilities.
- Structured deal for sale of company with \$12 million revenue for \$43.5 million cash (client wanted \$20 million).
- Advised several small technology and computer companies (ranging to \$50 million) as outside general counsel, including several computer and telecommunication companies, and one health care technology public company.

- Advised two telecommunications companies in concluding international installation and licensing transactions, one which developed software and installed network control monitor systems, and the other which installed cell phone systems in South and Central America and Africa.
- Advised numerous companies including several international companies with U.S. subsidiaries.
- Advised British Virgin Island charity with \$600 million in assets, including Patriot Act compliance and advice on avoiding tax on gains on U.S. investments.
- Represented small public companies, reorganized infrastructure and secured venture capital financing.
- Advised numerous foreign and U.S. persons regarding estate plans to minimize estate taxes and protect their assets from potential creditors.
