Claire Tuley concentrates her practice in acquisitions, commercial real estate and financing transactions, focusing particularly on the long term care industry.

Ms. Tuley concentrates her practice on commercial real estate and finance transactions, focusing particularly on the long term care industry.

Ms. Tuley regularly represents health care lenders and owner/operators of long term care and seniors housing facilities in acquisitions, dispositions, and financing transactions. Ms. Tuley works on all phases of a transaction, including corporate formation, due diligence, and coordination with local counsel. She also does extensive work representing national health care lenders in balance sheet and bridge-to-HUD loans and mezzanine loans.

Prior to law school, Claire worked as a paralegal at Baker Donelson and cultivated considerable experience assisting clients in large-scale financing transactions.
