Bruce McMullen Featured in Mid-South Super Lawyers Magazine

Bruce McMullen was profiled in the cover story of the 2015 edition of Mid-South Super Lawyers. Mr. McMullen discussed his life and career, including his first medical malpractice trial.

"After winning the case, I realized 'I can do it,' and that was a big confidence-booster," recalls Mr. McMullen. "That was one of those watershed moments when you realize you move from being an associate on a case to being the lead and making the calls, and then having to live with the results. And that defined what I would be doing for the rest of my career."
