## **Justin Daniels Gives Advice to Entrepreneurs in the Atlanta Business Chronicle**

The Atlanta Business Chronicle gathered a team of experts, including Emerging Companies Shareholder Justin Daniels, to discuss what it takes to make it as an entrepreneur in today's business world. When asked for his top tips for success as an entrepreneur, Mr. Daniels said, "Make sure you understand how to legally protect your intellectual property; understand your strengths and weaknesses, and hire people to do things you do not do well; and take the time to hire the right advisers."
