## 2009 Stimulus Act

July 17, 2009

The American Recovery and Reinvestment Act of 2009 was enacted February 17, 2009, providing numerous avenues of opportunity for a variety of industries. Whether you need guidance on the legislation to point you in the right direction, updates on federal funding opportunities, assistance in responding to a federal or state request for proposal, or someone to lobby for your interests in Washington, Baker Donelson can help. Our attorneys and public policy advisors are well-versed in every aspect of the Act, from government contracting and infrastructure spending, to tax provisions, health IT requirements and private sector assistance. Click on the links below to view alerts and presentations by our attorneys and public policy advisors.
